

Costume Guide- Winter Showcase

- Saturday, December 13, 2025

Base = What the dancer needs to wear to the theater. This is most likely dance class attire. It is something that the dancer supplies and should have at home. Please also make sure to **bring your dance shoes that you wear for class.**

Costume Pieces = These are costume pieces and accessories that our Costume Coordinator created especially for our performances. We will have these pieces at the theater. They will only be worn when on stage and will need to be returned to the plastic tubs after leaving the stage so that we can use them for next year.
